Cathy's Comments

Hello everyone, and Happy Holidays to you and your families! As I am putting this together we have a wicked winter storm warning in effect heading into the Christmas weekend. Here's hoping it isn't as severe as what is forecasted, and all your festive plans aren't affected.

We are so excited to see the coming annual meetings will be able to run in-person for 2023. I truly hope to be able to see many of you soon!

As 2022 draws to a close, I hope you all can enjoy some down-time with family and friends over the holiday season. Stay safe, stay healthy, and we'll see you next year.

Cathy
